

#greatattractions in Aquasfera!

- This modern water recreation complex includes a 50-meter Olympic-sized pool, a warm-up pool, a recreation area, a fitness club and an underground car park.
- The recreation area consists of a recreation pool, saunas (dry, infra-red and steam), sunny meadows, shower sensations, a lazy river, underwater massages, water jets, a water cascade and three jacuzzis.
- This area also offers fun for children: a paddling pool, two twisted, almost 120-meter waterslides and a wide variety of accessories for fun and games for the whole family.

#ukielolsztyn where Olsztyn's heart beats!

- This is the highest-class recreation and sports centre situated at Olsztyn's largest lake. The facility covers the area of the State Beach at Kapitańska Street, the Olsztyn Kayaking Centre at Olimpijska Street and the Centre of Water and Ice Sailing at Sielska Street.
- The centre is open all year round and includes strolling promenades, pedestrian and bicycle trails, cafes and restaurants, playgrounds, a complex of viewing and mooring docks, lounge platforms and terraces as well as high standard cloakrooms and washrooms.
- In the summer, the centre offers supervised swimming pools, water and sports equipment rental, a water playground and beach volley-ball and basket-ball courts.
- In the winter, one can use an artificial ice-skating rink and winter sports equipment rental. A beach volley-ball hall, squash courts, weight-lifting hall and a skate park are available all year round.
